

UnivIS - Lehrveranstaltungsplan

The image shows a large, complex grid representing a course schedule. The grid is mostly greyed out, with some white rectangular areas in the second and third columns. The text within the grid is extremely small and illegible. The grid is organized into several columns and rows, with the first column being the widest and the subsequent columns becoming progressively narrower. The white areas in the second and third columns appear to be highlights or specific sections of the schedule.
