

# UnivIS - Raumplan MG2/00.10

Aktuelle Informationen  
zur Raumbelegung und  
Anwesenheitserfassung  
während der Pandemie:

A large, complex grid representing the room plan for MG2/00.10. The grid is composed of many small cells, each representing a room or a specific area within a room. The cells are mostly grey, indicating they are not currently occupied or are not detailed in this view. There are some faint lines and text within the grid, but they are too small to read clearly. The grid is organized into several vertical columns and horizontal rows, suggesting a structured layout of the building's rooms.

Änderungen der Raumbelegung nur nach Absprache mit Raumverantwortlichen Annette Ochs-Lunz (Tel. 0951 863 1802, dekanatssekretariat.huwi@uni-bamberg.de)
