

UnivIS - Lehrveranstaltungsplan

The image shows a large, complex grid representing a course schedule. The grid is mostly greyed out, with some white cells. The text within the cells is extremely small and illegible. The grid is organized into several columns and rows, with a prominent white cell in the upper-middle section. The overall layout is a dense table of information, likely detailing course offerings, dates, and locations for the summer semester of 2018.
