

UnivIS - Raumplan U5/01.17

Aktuelle Informationen
zur Raumbelegung und
Anwesenheitserfassung
während der Pandemie:

A large, complex grid representing the room plan for U5/01.17. The grid is divided into many small rectangular cells, each representing a room or a specific area within a room. The cells are mostly grey, indicating they are currently unoccupied or have no specific information recorded. There are some faint lines and text within the grid, but they are too small to read clearly. The grid is organized into several vertical columns and horizontal rows, suggesting a structured layout of the building's rooms.

Änderungen der Raumbelegung nur nach Absprache mit Raumverantwortlichen Hildegund Streit (Tel. 0951/863-2242,
