

# UnivIS - Raumplan U11/00.16

Aktuelle Informationen  
zur Raumbelegung und  
Anwesenheitserfassung  
während der Pandemie:

A large, complex grid representing the room plan for U11/00.16. The grid is composed of many small cells, each representing a room or area. The cells are mostly grey, indicating they are not currently occupied or are not detailed in this view. There are some faint lines and text within the grid, but they are too small to read clearly. The grid is organized into several vertical columns and horizontal rows, with some larger rectangular areas that might represent specific rooms or zones.

Änderungen der Raumbelegung nur nach Absprache mit Raumverantwortlichen Hildegund Streit (App. 2242,
