

# UnivIS - Raumplan U11/00.16

Aktuelle Informationen  
zur Raumbelegung und  
Anwesenheitserfassung  
während der Pandemie:

A large, complex grid representing the room plan for U11/00.16. The grid is divided into numerous small rectangular cells, each representing a room or a specific area within a room. The cells are mostly greyed out, indicating they are not currently active or are unavailable. There are some white cells, particularly in the upper right quadrant, which likely represent rooms that are currently occupied or have specific status. The grid is organized into several vertical columns and horizontal rows, with some larger, irregularly shaped areas interspersed.

Änderungen der Raumbelegung nur nach Absprache mit Raumverantwortlichen Hildegund Streit (Tel. 0951/863-2242,
