

UnivIS - Raumplan Online-Meeting

Aktuelle Informationen zur Raumbelegung und Anwesenheitsfassung während der Pandemie:

NR	Mo	Tu	We	Do	Fr	Sa
08.00	Übung in Methoden der Statistik I (Übung 1)	Sprachpraktische Aufbaumodule: Arabisch (II)	E-Gitarren Bootz mit Begleitung (Gruppe 2)	RF-01: Personal Wealth Management	E-Gitarren Bootz mit Begleitung (Gruppe 3)	
	E-Gitarren Bootz mit Begleitung (Gruppe 1)	Textilien 3 (ca. "Textilien in English Language")	Übung in Methoden der Statistik II, Übung 1	Jane M.H.: Innovation in Networks	Disziplinäre Verfahren	
	E-Gitarren Bootz mit Begleitung (Gruppe 2)	Übersetzung/Sprachlehre E-D I (C)	Übersetzung/Sprachlehre E-D II (alle Studiengänge) A	Textilien 7 (ca. "Textilien in English Language")	V Die Elemente: Kulturzeit in der Gesamtgesellschaft	
09.00	Charakterisierung von 3-Dimensionen	Übung in Methoden der Statistik I, Übung 2	Übung in Methoden der Statistik II, Übung 2	Übung in Methoden der Statistik III, Übung 2	Industrielle Analytik (Deutsch)	
	Charakterisierung von 3-Dimensionen - Gruppe 1	E-Gitarren Bootz mit Begleitung (Gruppe 3)	RF-01: (Software Engineering Lab): Introduction to the Module (in semester work I)	Übung in Methoden der Statistik III, Übung 2	Industrielle Analytik (Englisch)	
	K. Instruktion in English Language Teaching and Learning (I)	Sprachpraktische Aufbaumodule: Arabisch (II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	Übung in Methoden der Statistik III, Übung 2	Industrielle Analytik (Englisch)	
10.00	Wissenschaftliches Schreiben	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	Industrielle Analytik (Englisch)	
	Adaptation and Selfie: Cross-cultural and Transcultural	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	Industrielle Analytik (Englisch)	
	Textilien 3 (ca. "Textilien in English Language")	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	Industrielle Analytik (Englisch)	
11.00	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
12.00	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
13.00	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
14.00	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)	
15.00	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work I)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work II)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work III)	RF-01: (Software Engineering Lab): Introduction to Development Tools (in semester work IV)	Industrielle Analytik (Englisch)
