

# UnivIS - Raumplan Online-Meeting

Aktuelle Informationen  
zur Raumbelugung und  
Anwesenheitserfassung  
während der Pandemie:

| Wochentag | 12.4.2021 | 13.4.2021 | 14.4.2021 | 15.4.2021 | 16.4.2021 | 17.4.2021 |
|-----------|-----------|-----------|-----------|-----------|-----------|-----------|
| 08:00     |           |           |           |           |           |           |
| 08:15     |           |           |           |           |           |           |
| 08:30     |           |           |           |           |           |           |
| 08:45     |           |           |           |           |           |           |
| 09:00     |           |           |           |           |           |           |
| 09:15     |           |           |           |           |           |           |
| 09:30     |           |           |           |           |           |           |
| 09:45     |           |           |           |           |           |           |
| 10:00     |           |           |           |           |           |           |
| 10:15     |           |           |           |           |           |           |
| 10:30     |           |           |           |           |           |           |
| 10:45     |           |           |           |           |           |           |
| 11:00     |           |           |           |           |           |           |
| 11:15     |           |           |           |           |           |           |
| 11:30     |           |           |           |           |           |           |
| 11:45     |           |           |           |           |           |           |
| 12:00     |           |           |           |           |           |           |
| 12:15     |           |           |           |           |           |           |
| 12:30     |           |           |           |           |           |           |
| 12:45     |           |           |           |           |           |           |
| 13:00     |           |           |           |           |           |           |
| 13:15     |           |           |           |           |           |           |
| 13:30     |           |           |           |           |           |           |
| 13:45     |           |           |           |           |           |           |
| 14:00     |           |           |           |           |           |           |
| 14:15     |           |           |           |           |           |           |
| 14:30     |           |           |           |           |           |           |
| 14:45     |           |           |           |           |           |           |
| 15:00     |           |           |           |           |           |           |
| 15:15     |           |           |           |           |           |           |
| 15:30     |           |           |           |           |           |           |
| 15:45     |           |           |           |           |           |           |
| 16:00     |           |           |           |           |           |           |
| 16:15     |           |           |           |           |           |           |
| 16:30     |           |           |           |           |           |           |
| 16:45     |           |           |           |           |           |           |
| 17:00     |           |           |           |           |           |           |
| 17:15     |           |           |           |           |           |           |
| 17:30     |           |           |           |           |           |           |
| 17:45     |           |           |           |           |           |           |
| 18:00     |           |           |           |           |           |           |
| 18:15     |           |           |           |           |           |           |
| 18:30     |           |           |           |           |           |           |
| 18:45     |           |           |           |           |           |           |
| 19:00     |           |           |           |           |           |           |
| 19:15     |           |           |           |           |           |           |
| 19:30     |           |           |           |           |           |           |
| 19:45     |           |           |           |           |           |           |
| 20:00     |           |           |           |           |           |           |
| 20:15     |           |           |           |           |           |           |
| 20:30     |           |           |           |           |           |           |
| 20:45     |           |           |           |           |           |           |
| 21:00     |           |           |           |           |           |           |
| 21:15     |           |           |           |           |           |           |
| 21:30     |           |           |           |           |           |           |
| 21:45     |           |           |           |           |           |           |
| 22:00     |           |           |           |           |           |           |
| 22:15     |           |           |           |           |           |           |
| 22:30     |           |           |           |           |           |           |
| 22:45     |           |           |           |           |           |           |
| 23:00     |           |           |           |           |           |           |
| 23:15     |           |           |           |           |           |           |
| 23:30     |           |           |           |           |           |           |
| 23:45     |           |           |           |           |           |           |
| 24:00     |           |           |           |           |           |           |

Änderungen der Raumbelugung nur nach Absprache mit  
Raumverantwortlichen

wöchentliche Lehrveranstaltungen vom 12.4.2021 bis 16.7.2021  
Einzeltermine vom 12.4.2021 bis 16.7.2021  
Stand: Mittwoch, 10 Juli 2024 20:13:26
