

# UnivIS - Raumplan Online-Meeting

Aktuelle Informationen  
zur Raumbelegung und  
Anwesenheitserfassung  
während der Pandemie:

A large, complex grid representing a room plan. The grid is composed of many small cells, some of which are shaded in light gray, dark gray, or white. The cells contain text, likely representing room numbers, room names, and possibly dates or times. The grid is organized into several vertical columns and horizontal rows, with some cells spanning multiple rows or columns. The overall appearance is that of a detailed schedule or assignment chart for a university building.
