Aktuelle Informationen
zur Raumbelegung und
Anwesenheitserfassung
während der Pandemie:

The diagram is a complex, multi-layered structure composed of numerous small, rectangular blocks arranged in a grid-like fashion. The blocks are connected by lines, suggesting a flow or relationship between different parts of the structure. The overall layout is dense and intricate, with a high degree of detail. The blocks are arranged in a way that suggests a hierarchical or organizational structure, with some blocks containing text and others being empty. The text within the blocks is small and difficult to read, but it appears to be organized into sections or categories. The diagram is presented in a grayscale format, with the blocks and connecting lines in a light gray color against a white background.

Änderungen der Raumbellegung nur nach Absprache mit Raumverantwortlichen
