

UnivIS - Raumplan Online-Meeting

Aktuelle Informationen
zur Raumbelegung und
Anwesenheitserfassung
während der Pandemie:

A large, complex grid representing a room plan. The grid is divided into several large rectangular sections by thick black lines. Each section contains a dense array of small, light-colored cells, some of which are shaded in light gray. The text within these cells is extremely small and difficult to read, but it appears to be organized in a structured manner, possibly representing room numbers, room names, and associated schedules or assignments. The overall layout is a multi-column and multi-row grid.

Änderungen der Raumbelegung nur nach Absprache mit Raumverantwortlichen
