Aktuelle Informationen
zur Raumbelegung und
Anwesenheitserfassung
während der Pandemie:

A large, complex grid representing a room plan. The grid is composed of many small cells, some of which are shaded in light gray, dark gray, or white. The cells contain text, likely representing room numbers, room names, and possibly schedules or assignments. The grid is organized into several vertical columns and horizontal rows, with some cells spanning multiple rows or columns. The overall appearance is that of a detailed and dense schedule or room allocation chart.
