

UnivIS - Raumplan Online-Meeting

Aktuelle Informationen
zur Raumbelegung und
Anwesenheitserfassung
während der Pandemie:

The main content of the page is a large, complex grid representing a room plan. The grid is divided into several large rectangular sections. The left side of the grid contains many small, illegible text entries, likely representing room numbers and names. The right side of the grid is mostly obscured by large, solid grey rectangular blocks, which likely represent room occupancy or reservation data. The overall layout is dense and technical, typical of a university's room management system.

Änderungen der Raumbelegung nur nach Absprache mit Raumverantwortlichen
