

UnivIS - Raumplan Online-Meeting

Aktuelle Informationen
zur Raumbellegung und
Anwesenheitserfassung
während der Pandemie:

The treemap visualization displays a hierarchical structure of data. The root node is 'Data' (100% of the total area). It branches into 'Training' (50%) and 'Testing' (50%). 'Training' further branches into 'Train' (25%) and 'Validation' (25%). 'Testing' branches into 'Test' (25%) and 'Development' (25%). Each of these branches into further sub-nodes, creating a dense, multi-level hierarchy. The nodes are represented by rectangles of varying sizes, with the largest nodes at the top and smaller nodes at the bottom. The colors of the nodes are determined by their parent node, with 'Data' being light blue, 'Training' being light green, 'Testing' being light orange, and so on. The overall shape is roughly rectangular, with the root node at the top and the leaf nodes at the bottom.

Änderungen der Raumbellegung nur nach Absprache mit Raumverantwortlichen

wöchentliche Lehrveranstaltungen vom 12.4.2021 bis 16.7.2021
Einzeltermine vom 12.4.2021 bis 16.7.2021
Stand: Dienstag, 28 Mai 2024 18:18:18
