

UnivIS - Raumplan Online-Meeting

Aktuelle Informationen
zur Raumbelegung und
Anwesenheitserfassung
während der Pandemie:

The image displays a large, complex table representing a room plan. The table is organized into multiple columns and rows, with each cell containing a list of names and associated identifiers, likely representing room assignments for various courses or departments. The text is dense and appears to be a direct export from a software application, with some cells containing multiple lines of text. The table is divided into several vertical sections by thin black lines, suggesting a hierarchical or grouped structure of the data.

Änderungen der Raumbelegung nur nach Absprache mit Raumverantwortlichen
